

Absolute bias of β estimates across methods and sample sizes

CC_UN FULL_UN MICE_UN OBS_UN

Relative efficiency of β estimates across methods and sample sizes

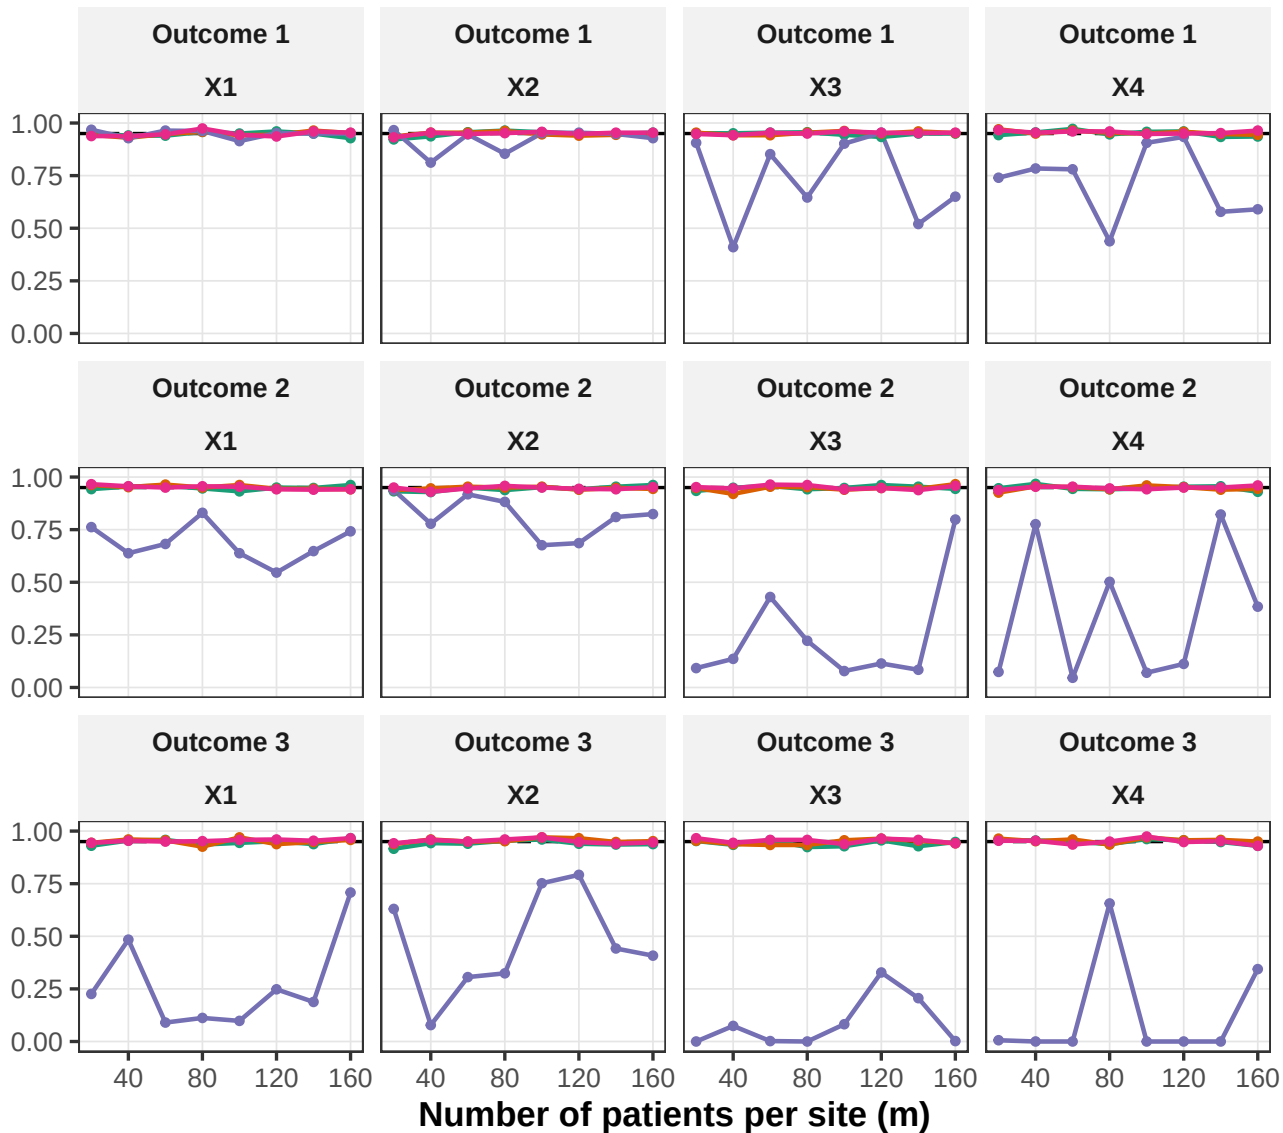

CC_UN FULL_UN MICE_UN OBS_UN

Coverage of nominal 95% Wald CIs for β by method and sample size

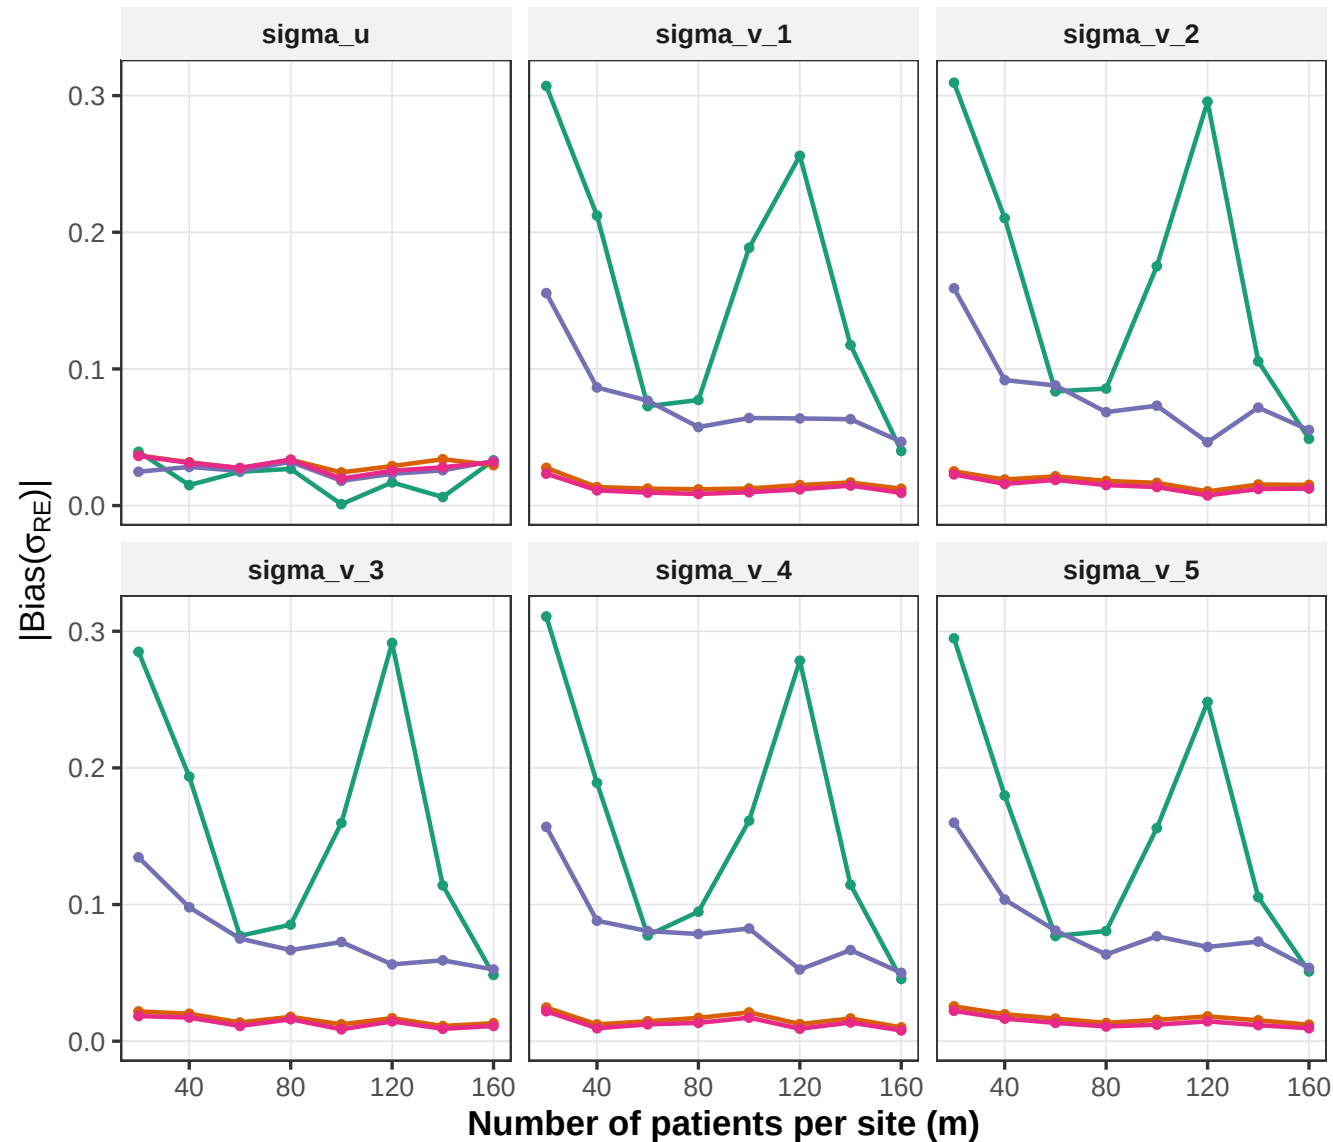

CC_UN FULL_UN MICE_UN OBS_UN

Empirical coverage of 95% CI for β

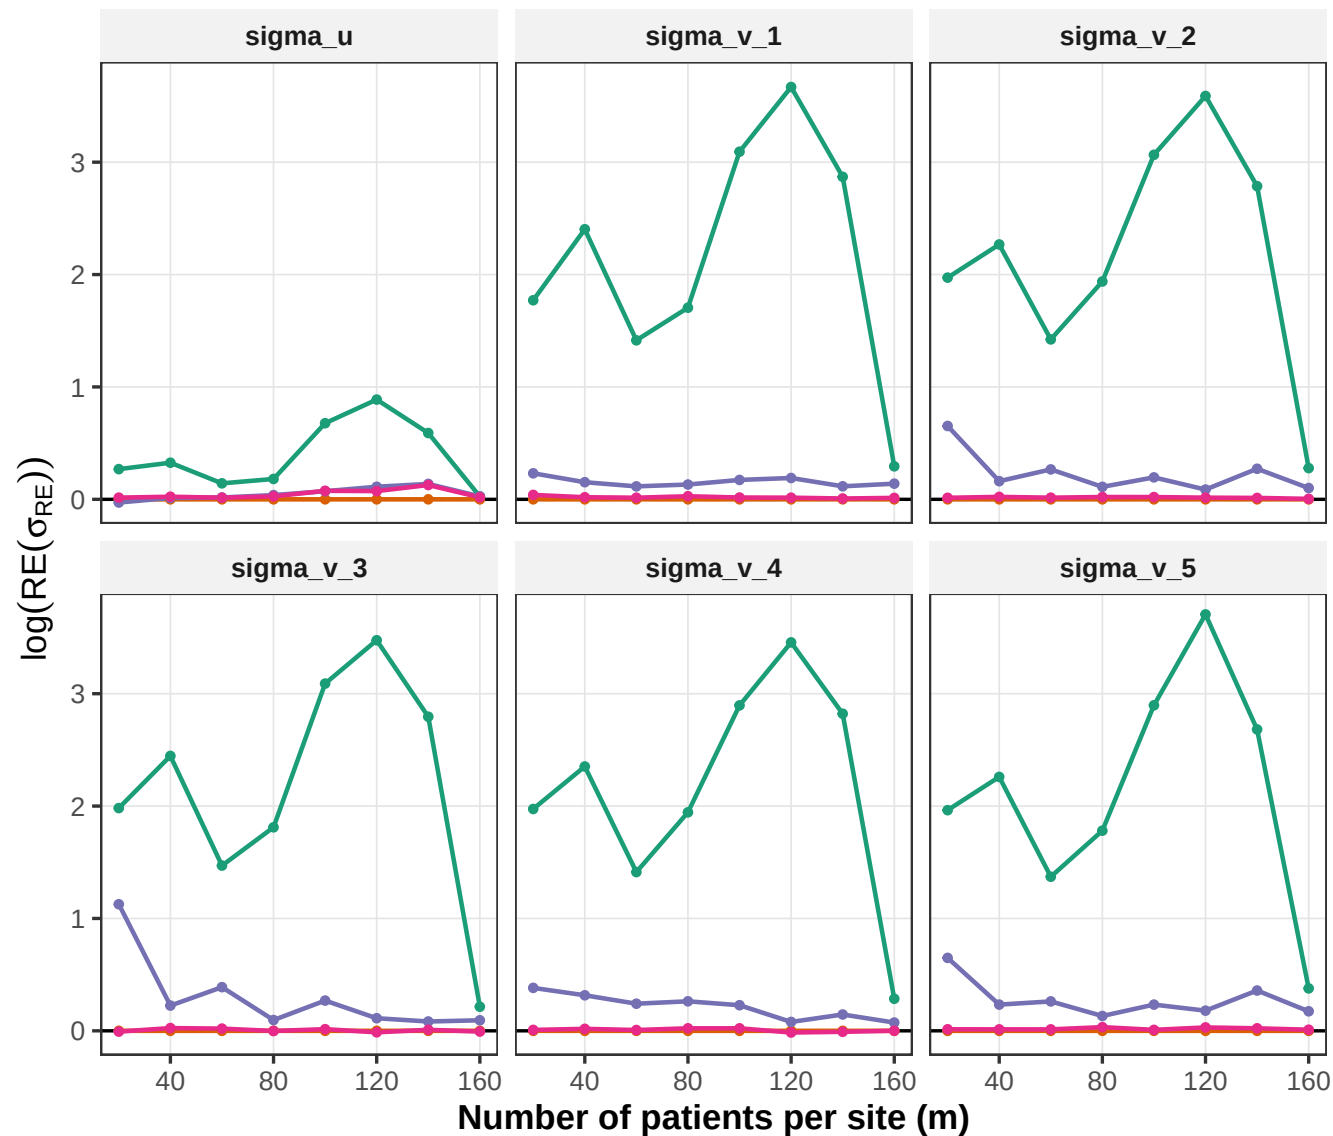

Absolute bias of random-effect σ estimates

CC_UN FULL_UN MICE_UN OBS_UN

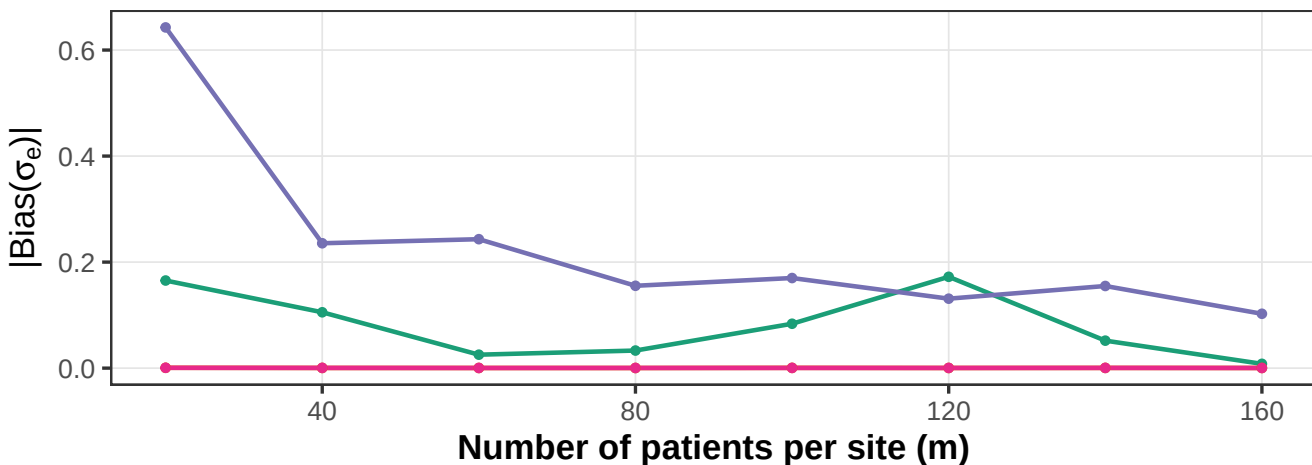

Relative efficiency of random-effect σ estimates

CC_UN FULL_UN MICE_UN OBS_UN

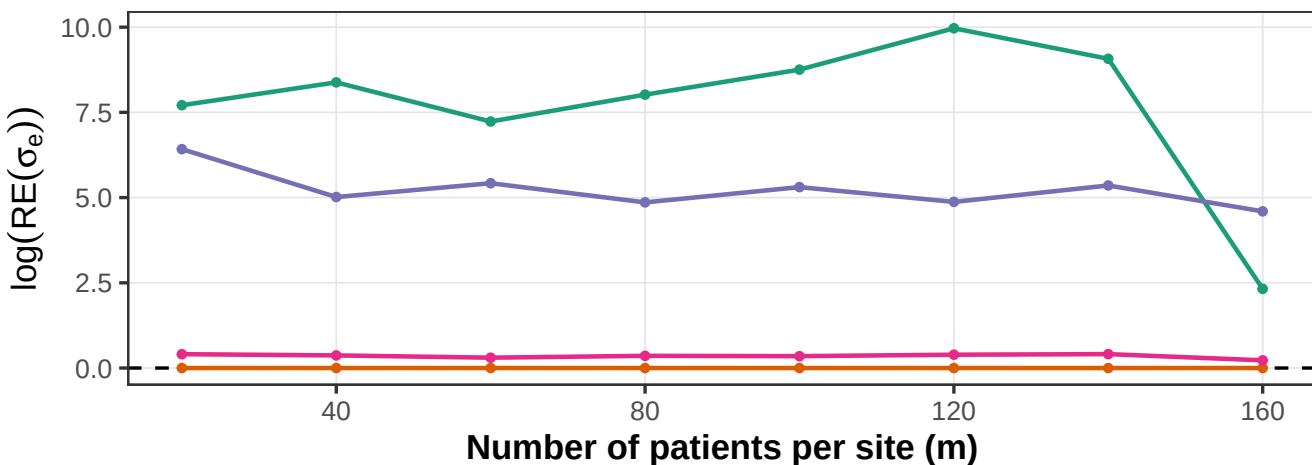

Absolute bias of residual σ_e estimates

CC_UN FULL_UN MICE_UN OBS_UN

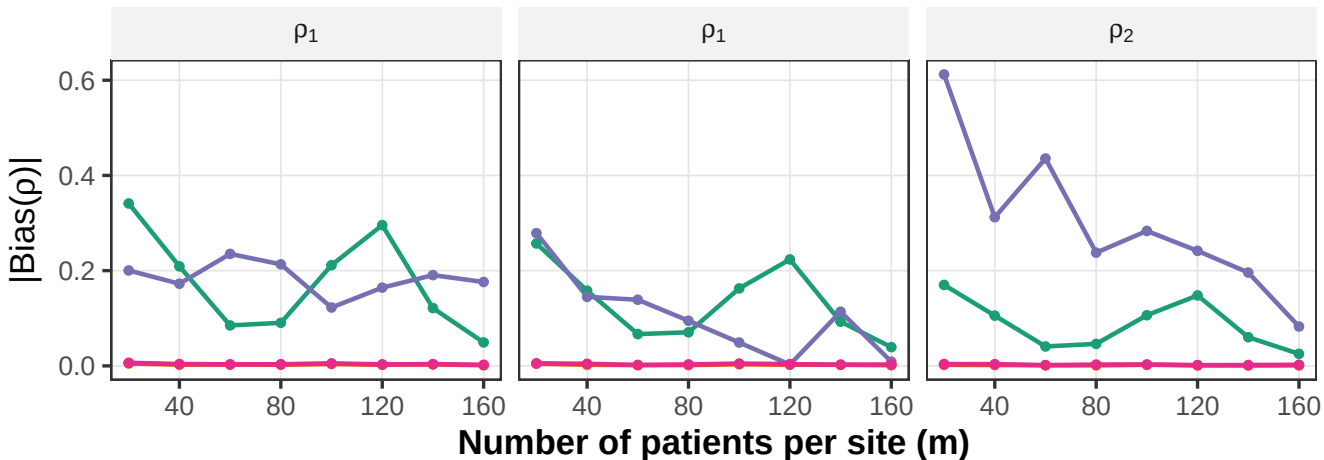

Relative efficiency of residual σ_e estimates

CC_UN FULL_UN MICE_UN OBS_UN

Absolute bias of off-diagonal ρ estimates

CC_UN FULL_UN MICE_UN OBS_UN

Relative efficiency of off-diagonal ρ estimates

CC_UN FULL_UN MICE_UN OBS_UN
